

BraunAbility® Pacifica

Every inch feels like a mile in the all-new BraunAbility Pacifica, thanks to patent-pending AccessAbility™ technology. An aerospace-inspired sliding door extends beyond the doorway, giving plenty of space to enter and exit the vehicle. With the widest side-entry ramp on the market, there is room to accommodate all sizes and types of wheelchairs. A new rear axle design creates extra space in the back of the cabin for greater maneuverability.

Available with a foldout or infloor ramp, the BraunAbility Pacifica offers all the space and convenience you need without sacrificing the style and design you deserve. Experience the ultimate accessible vehicle, brought to you by the most trusted name in mobility!
